

Learning & Leading With Technology

The Wildcat Club supports the overall mission of St. Thomas Aquinas Grade School by providing support to ensure we continue to provide the finest quality education and facilities for our children.

St. Thomas Aquinas Grade School is in its fifth year and has already demonstrated a high academic performance and numerous successes.

As with any school dedicated to continuous improvement, there are expanding needs that are not able to be funded in the school budget.

This year, the primary objective of the 2007 Wildcat Golf Tournament is to raise funds to supplement the educational needs of the students in the area of technology and learning resources.
